As Josh mentioned, the PRAP should be with you to review by next Tuesday, at the latest. Please let me know if you will not be able to get comments to him by next Friday, at the latest. This site is a ROD target, as you know.

Any questions on timing, please let me know. Thank you!!!

Subject: FS and Proposed Plan

Hi Everyone,

For the next few weeks we will be moving very fast and I want to let everyone know where we are at with the proposed plan so that you can plan your review. Also, as a reminder, please submit your comments or suggested edits on the FS by Wednesday (6/17).

For reviewing the proposed plan, you all will be the first level reviewers, then it will go on to Chloe, ORC (Doug and Sarah), and Michael. Then it will go to HQ and the state for their review. Each review period will be very short and I hope to incorporate comments relatively quickly in order to stay on schedule for the ROD. So please bring up any significant issues immediately during your review and we can discuss. Also, I will share the online version of the document so everyone will be working/commenting on the same version.

The proposed plan is expected to be drafted by Monday or Tuesday next week. Much of the content will be pulled from the FS so it should not be new information. Please plan for a 4 day review period. I would like to turn it around and get it to the next set of reviewers by the end of next week or early the following week.

Let me know if you have any questions. Thank you for working with me and this crazy schedule.

Thanks,

Josh
